HONORING JUDGE BASCOM
BENTLEY, III

HON. JEB HENSARLING

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, December 18, 2017

Mr. HENSARLING. Mr. Speaker, I rise today to honor and remember a dear friend, Judge Bascom Bentley, III, who passed away peacefully on December 11, 2017.

Bascom was a life-long resident of Palestine, Texas and served almost 3 decades with distinction as the Judge for Texas' 369th District Court until his recent retirement. Prior to that he served as County Court at Law Judge, County Attorney for Anderson County and also the City Attorney for Palestine. Along with his time on the bench, Bascom taught as a professor at Trinity Valley Community College for 37 years. The totality of his awards and honors are too numerous to list here today, but he has been honored by civic groups, charitable organizations, educational institutions and veteran groups. And he was honored multiple times for his good work as a judge including one from the Texas Gang Investigators Association that seems to sum everything up—the "Damn Good Judge" award.

Bascom touched countless lives, including mine. His wit and humor were unmatched and his knowledge endless—likely fueled by his unquenchable thirst and love for history. For those who knew Bascom, they saw compassion and love for others that was unbounding.

As the Representative for the 5th District of Texas, I am honored to have known such a wonderful and unique person, and I will forever treasure our many conversations through the years. I send my deepest and sincerest condolences to his mother, Kelly, wife, Carol, to his children Bonnie, Matthew, William and Hunter, as well as the rest of his family and innumerable friends. May we all remember a life well lived.

CARROLL DANIEL CONSTRUCTION
BREAKING GROUND IN DOWNTOWN
GAINESVILLE

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Monday, December 18, 2017

Mr. COLLINS of Georgia. Mr. Speaker, on this Friday, I rise to help usher in new developments that will be added to the Gainesville community.

As a proud, lifelong resident of this town, I have watched it grow over the years, and welcomed the new businesses and neighbors that have come with that growth.

Earlier this year, the city of Gainesville moved forward with an ambitious plan to improve our historic square. The investments made to this project will add to the square and surrounding area, which represent a centerpiece of our vibrant downtown.

As part of this project, I am pleased that Carroll Daniel Construction will break the ground for a wonderful new facility that will begin construction early next year.

Residents of Gainesville will enjoy this building, which will be located along Jesse Jewel Parkway. The street's namesake, Mr. Jewel himself, was a leader in the poultry industry, and he brought jobs and increased investment in the area during the Great Depression.

In line with his vision, this addition to the square will serve our community for years to

come. I believe that my good friend, Brian Daniel, runs his company according to the values of our Hall County community.

My family and I look forward to seeing the company's new facility next year as we drive by on Jesse Jewel Parkway.

IN HONOR OF COL. THOMAS
"TUCKER" FAGAN'S RECOGNITION IN THE AIR FORCE PUBLIC AFFAIRS AGENCY'S "VETERANS IN BLUE" VOLUME III

HON. LIZ CHENEY

OF WYOMING

IN THE HOUSE OF REPRESENTATIVES

Monday, December 18, 2017

Ms. CHENEY. Mr. Speaker, I rise today to extend my congratulations to Colonel Thomas "Tucker" Fagan on his recognition in the Air Force Public Affairs Agency's "Veterans in Blue" Volume VIII.

Throughout his impressive career in the Air Force, Col. Fagan proved himself indispensable, being chosen as one of eight military personnel chosen to build the U.S. nuclear war plan, and serving as the wing commander at F.E. Warren AFB, and the 20th Air Force vice commander. After his retirement, Col. Fagan stayed active in the Wyoming and Air Force communities, including serving former Wyoming U.S. Representative Cynthia Lummis as her Chief of Staff.

The Air Force Public Affairs Agency launched the "Veterans in Blue" portrait collection to highlight the men and women that have contributed to the Air Force's great legacy. Col. Fagan's dedication and contributions to the Air Force, nation, and state warrants his inclusion in this prestigious collection.

Again, Mr. Speaker, I would like to extend my congratulations to Col. Fagan on being recognized in the "Veterans in Blue" Volume VIII portrait collection, and I thank him for his continued service.

IN THE HOUSE OF REPRESENTATIVES

Monday, December 18, 2017

Ms. NORTON. Mr. Speaker, I rise today to ask the House of Representatives to join me in recognizing Joseph Tran-Malan for his participation in the Congressional App Challenge (CAC).

The CAC began in 2013, and has since grown to include nearly 4,000 students across 33 states and territories. Specifically, the CAC encourages students to learn how to code through an annual district-wide competition.

For his CAC submission, Joseph chose the video game Overwatch. In particular, he created a video that described why he chose Overwatch, and what he would do to make the video game better as part of his app.

Currently, Joseph is in the third grade and attends Harmony DC Public Charter School, which has a Science, Technology, Engineering, and Math (STEM) program. In addition, the school organizes two major STEM events every year: the Harmony Science and Engineering Fair, which serves as a way for students to learn more about the scientific process; and the Stem Festival, where students
